February 2017

## APTT (Academic Parent Teacher Teams)

We are excited about our next APTT night scheduled for Thursday, March 23, 2017 from 6:00-7:15! We will share information about your children's progress with sight word recognition. We will also share other useful tools to help your children to continue to grow academically. Please remember to continue playing the sight word recognition game you received in December. We look forward to seeing all of you in March!

## 100<sup>th</sup> Day of School

Friday, February 10, 2017 is the 100<sup>th</sup> Day of School. We look forward to a day filled with activities that revolve around the number 100.

## Curriculum News

**Math-**The students will be learning how to break numbers into parts. They will be introduced to addition and subtraction.

**Reading-**The students will learn how to gain a deeper understanding of the stories they read. They will also learn how to state the main idea of a story and its supporting details.

**Writing-**The students will write stories they can share with their peers. They will be reminded of how to write complete sentences that relate to their pictures.

**Science/Health-**The students will learn about winter animals and ways to care for their teeth.

**Social Studies-** The students will learn about Valentine's Day, African-American History, Groundhog Day, and American Presidents.

## Valentine's Day Card Exchange

On Tuesday, February 14, the children will be exchanging Valentine's Day cards with their classmates, if they choose. Please see the attached class list if you would like your child to participate. If they want to pass out cards, I request that they pass them out to everyone, not just some of the children.

## February 2017 Dates to Remember!

Monday	Tuesday	Wednesday	Thursday	Friday
